

# 2010 Wisconsin Regional Team Social Registration Form

The Wisconsin Regional Planning Committee is pleased to offer a Team Social to all teams attending the 2010 event! After a long day of intense robot competition enjoy some dinner, activities and relaxation. For a list of all the activities, maps to the location, parking information and more go to [www.wisconsinregional.com](http://www.wisconsinregional.com)

We realize that last year the food was delivered too slowly. To resolve that issue we are using Milwaukee School of Engineering catering. They will be making boxed dinners consisting of a sandwich, chips, cookie and beverage. The food will be all prepared and ready to pick up before we arrive.

Please use this form to register your team to attend the 2010 Wisconsin Regional team social. Enter the number of people requesting each type of dinner and the total number attending. Each person needs to pay \$7 for his or her dinner. There are no additional charges.
