TEAM ANNOUNCEMENTS

Teams 537, 1675, and 1732 invite you to be a part of the 2011 Harvest Fair on Saturday, September 24th on the WI State Fair grounds. It will be home to the first ever Milwaukee Robofest. This two-day event will feature exhibitions and competitions highlighting FLL robots, FRC robots, and Vex robots. There will be a one-day Logomotion competition event with qualifying rounds, alliance selections and elimination rounds. The grounds are able to accommodate 18 FRC teams for this event. There is a \$25 registration fee to cover field transportation. Please contact Kevin Kolodziej for more information and to reserve your spot! Email: kevin.kolodziej@gmail.com

FUN FACTS

In a Marquette University study, it was found that 11% of the freshman class of 2010 were previously involved with *FIRST*. In 2011, that number increased to 14%

If your team has anything they wish to have posted to Bot Bytes, feel free to contact Taylor Woods and it may be added to the next months issue. Email: Globegirlt@yahoo.com
